

How to Make Glamdring from Lord of the Rings “Gandalf’s Sword”

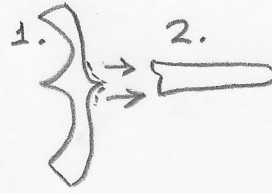

1. Assembling template

- 1. Cut out A & B
- tape together
- trace

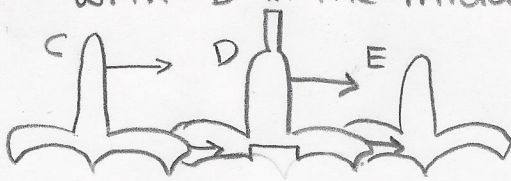

- 2. Cut out C1, C2, D1, D2, E1, E2
- tape pieces 1 & 2 for all
- trace

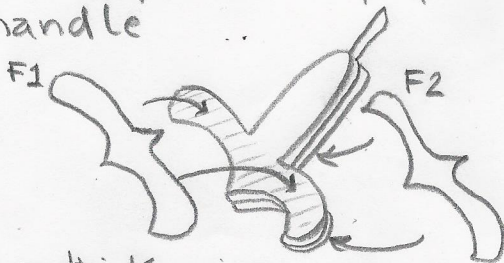

- 3. Cut out & trace F1 & F2

Assembling Foamboard

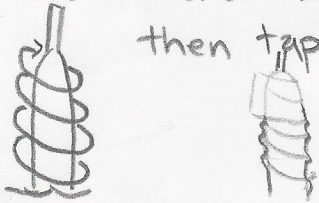

- 1. Glue C, D, & E together with D in the middle

- 2. Glue F1 & F2 on top & bottom of handle

- 4. Wrap a thick wire or cord around handle in spiral then tape over

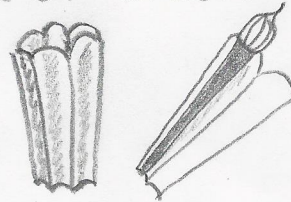

- 5. Glue ping pong ball to top of piece G & cover with sealant

Then glue to top of handle.

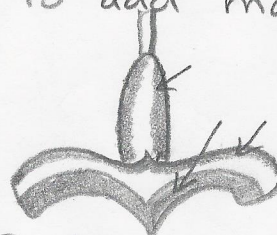

- 4. For Piece G cut all solid black & lightly score dotted lines.

- Fold into hexagon
- For extra detail use the handle of brush to shape each piece

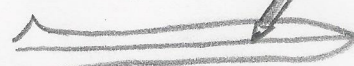

* DO NOT TRACE TO FOAM. PRINT ON CARD STOCK OR PAPER GLUED TO CEREAL BOX

- 3. Use exacto knife & sandpaper to add more shape.

For blade using a ruler trace a straight line down center

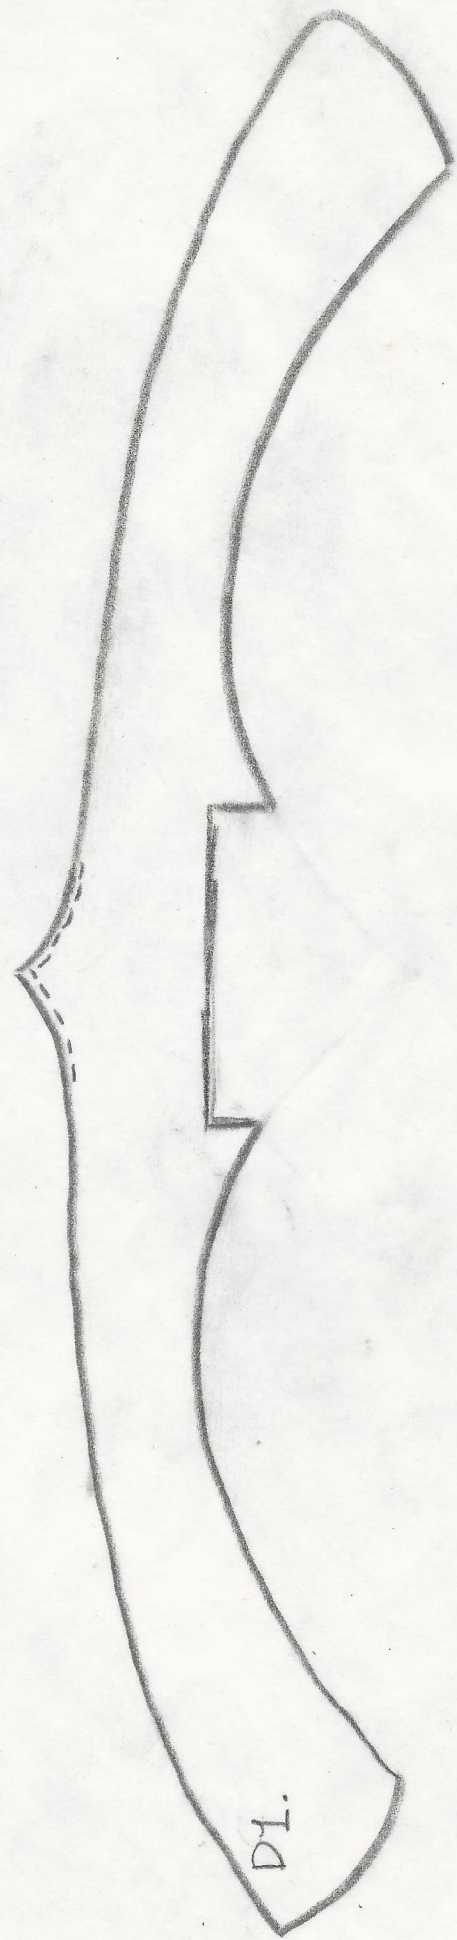

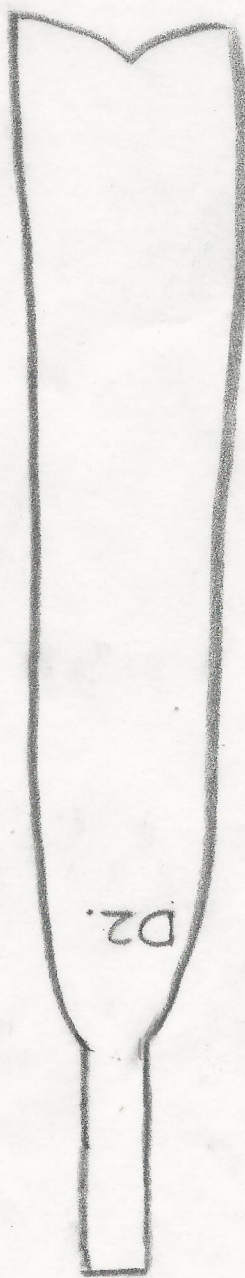

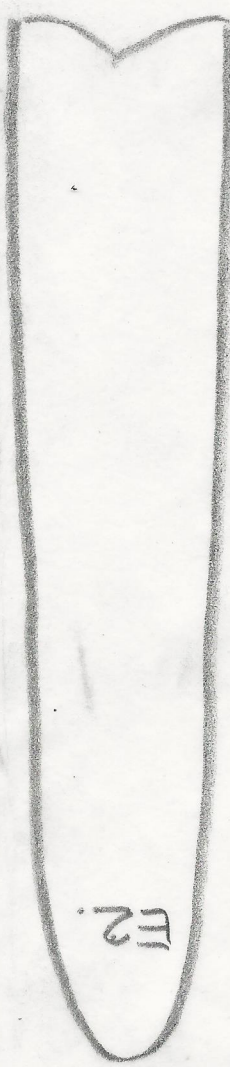

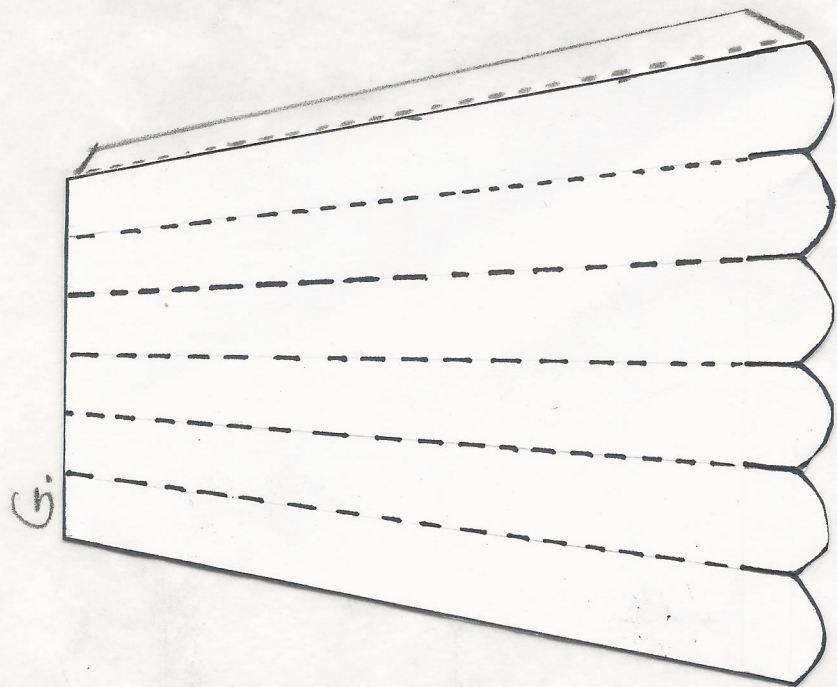

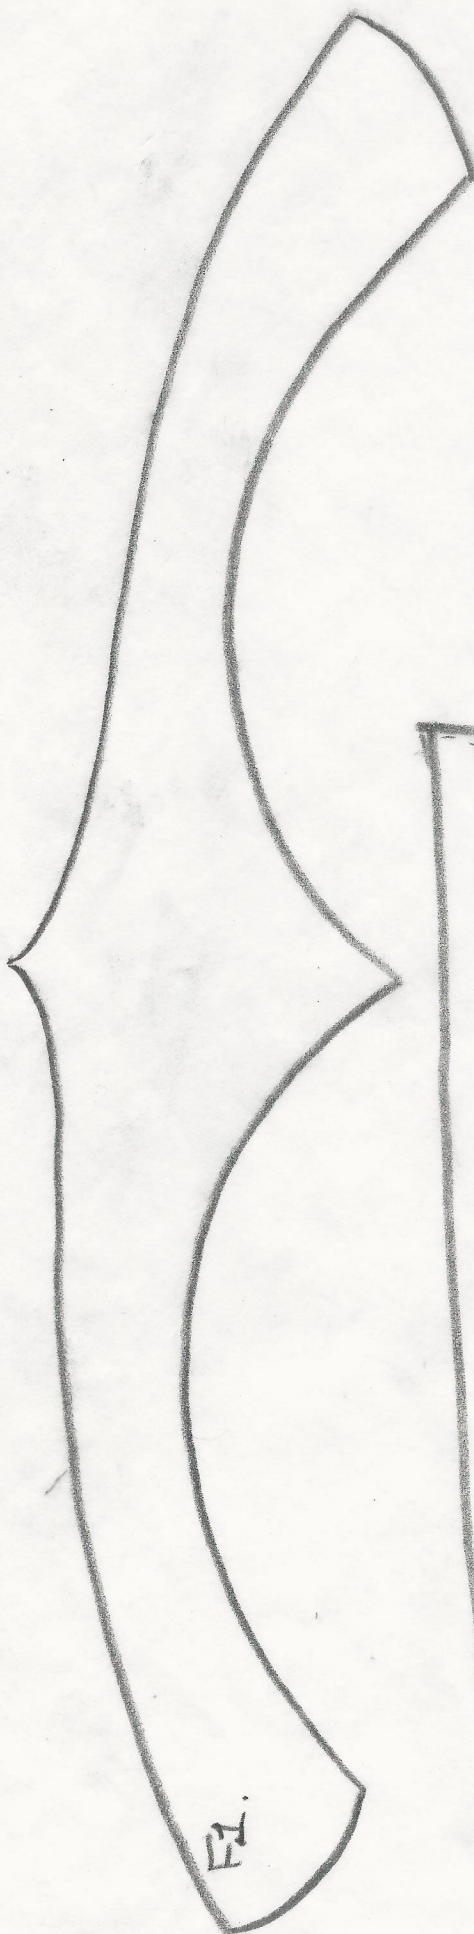

then add 2 more lines $\approx 2/16$ inch from center.

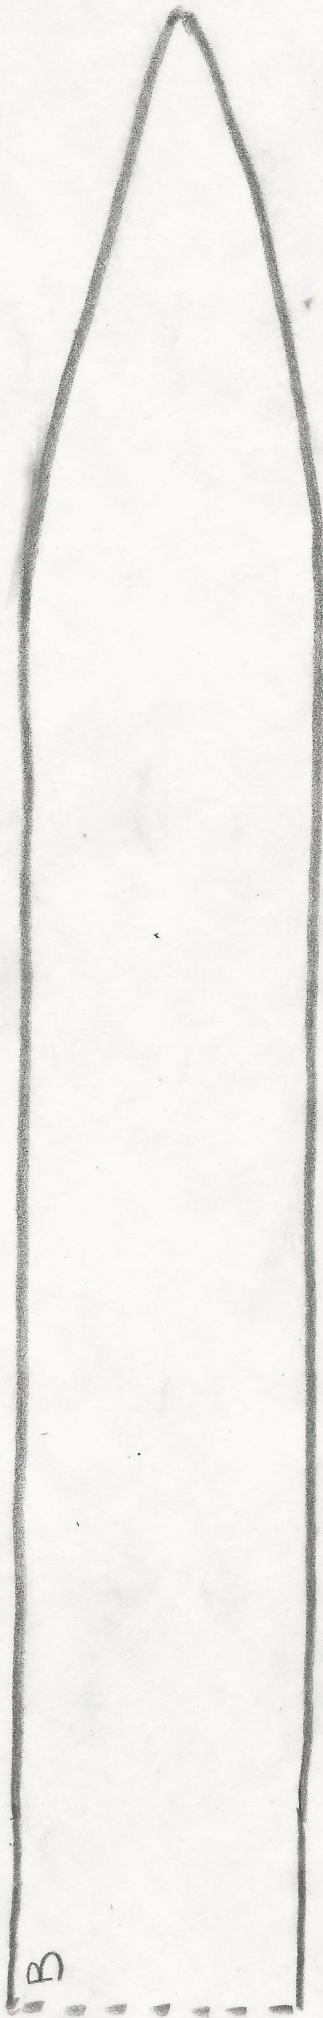

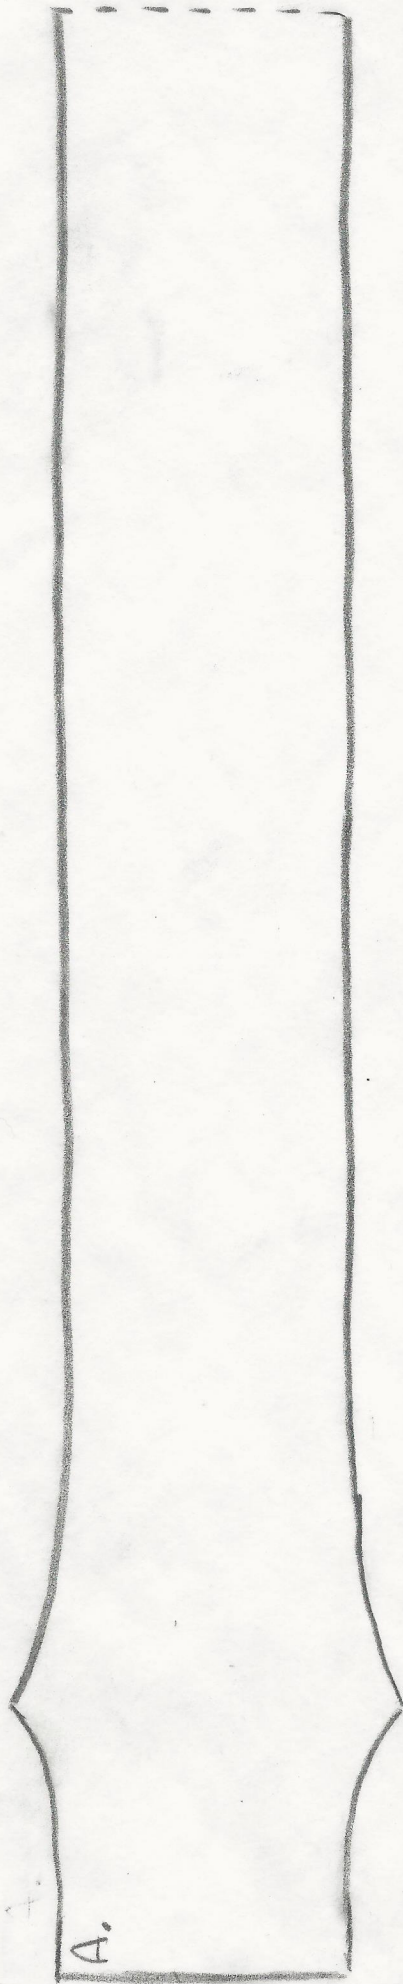

Remove paper layer from foam & sand down.
